NEWS AND INFORMATION FROM THE TECH PA

Tech Talk 2.6.22 Volume 10 / Edition 16

Greetings from the PA President

Dear BTHS Families and Caregivers,

I hope all are well and safe. Last week, the PA celebrated its fifth annual Lunar New Year, and it was a blast. You all made it a special day to remember. Congratulations to our children (and some parents) who performed masterfully.

Thank you to our Diversity Committee and the wonderful volunteers who made our second virtual Lunar New Year possible. I personally want to thank Kim Jalet, Jennifer Lu, and Vito LaBella for all the great work you did. We should be proud to be part of this fantastic school -- together, we can do amazing things for our children.

Here are some reminders:

It's February and that means it's Black History Month.

The College Board announced that in 2025 all SAT and PSAT testing will be administered digitally. Plus, the testing time will be less than three hours.

Our next PA meeting is Thursday, February 17, 2022.

I will be announcing the date for new PA elections and the open positions. Please continue to reach out to me at papresident@BTHS.edu.

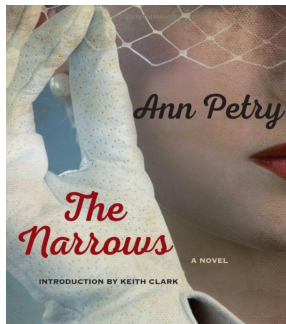

Keep well and be safe,

Lincoln Favours
Brooklyn Tech PA President

Diversity Committee Book Club

The next selection for the Diversity Committee Book Club is *The Narrows* by Ann Petry. This book was chosen with Black History Month in mind. The author (October 12, 1908 – April 28, 1997) was the first black woman writer with book sales topping a million copies for her novel *The Street*.

Goodreads description of *The Narrows*: When Link Williams, a college-educated twenty-six-year-old African-American man, falls for Camilo Sheffield, a

wealthy married white woman, things will never be the same in the sleepy New England town of Monmouth, Connecticut. Set in the 1950s, this unforgettable classic deftly evokes a tragic love affair and offers a window onto the powerful ways in which class, race, and love intersected in midcentury America.

We look forward to discussing this book on **February 16, 2022**.

Lunar New Year Celebration

Brooklyn Tech PA proudly hosted the 5th Annual Lunar New Year Celebration on January 28, 2022, and the event has been broadcasted on our YouTube Channel. You can watch the Celebration [here](#).
